rrp: \$5.95

From the best-selling authors of **SPOTLESS** and **SPEEDCLEANING** comes a fabulous reference wheel - a perfect design for handy storage in the laundry.

An excellent accompaniment to the popular books written by Shannon Lush and Jennifer Fleming, the easy and fun **STAIN SOLVER WHEEL** provides instant information on how to treat the most common household stains.

The **STAIN SOLVER WHEEL** is the first product in Shannon and Jen's newly established Home Palette range to be released. Watch out for the **Weekly Speedclean Magnet Kit**.

SHANNON LUSH appears as a regular guest on radio and television across Australia and New Zealand. She is a fine art restorer who can repair anything, whether it's an expensive antique or a mouldy cushion. She is also a keen collector of handy household hints that she thoroughly tests and modifies to ensure they work. She has never been stumped by a listener's domestic disaster.

JENNIFER FLEMING has worked as a presenter and producer on ABC Radio. It was Jen who 'discovered' Shannon and with her journalistic skills and Shannon's know-how they are a formidable duo.
